PROGRAM DESCRIPTION

Care of critically ill patients can be challenging. The Timely Topics in Emergency Care conference aims to provide up-to-date information about trends in caring for difficult health issues which present in the field, for pre-hospital personnel and for members of the Emergency Department team.

PROGRAM OBJECTIVES

This course is designed to increase participants’ knowledge of comprehensive care of trauma patients, cardiopulmonary care in children, ultrasound use in the emergency care setting, severe injuries associated with child abuse, care of burn patients and head injuries in children. Nurses, paramedics, pre-hospital personnel, allied health workers, physicians and residents are encouraged to attend.

COURSE FEES

Registration: **\$25** for all participants.

Registration and full payment must be received by Oct. 1, 2012.

Registration after Oct. 1, 2012 or at the door - **\$50.**

Cancellations must be received in writing by Oct. 1, 2012, for a refund. No refunds will be granted for cancellations after Oct. 1, 2012.

The program fee includes continuing education credit with Certificate of Attendance, full breakfast and a snack. No lunch will be provided.

*Please make checks payable to **UC Regents** and submit by Oct. 1.*
